GENERAL RULES AND PROCEDURES

1. Who can exhibit?

Only companies whose products or services correspond exactly to the theme of the show and to the permitted categories of products of the show (see WHAT CAN BE EXHIBITED) will be admitted as exhibitors.

2. What can be exhibited?

Exhibitors may exhibit the following categories of products or services in the halls or on the outdoor static area:

(1) Business Jets, (2) Single and Twin-Engine Aircrafts, (3) Light Aircrafts (UL, VLA, LSA), (4) Motor Gliders, (5) Gliders, (6) Amphibious Aircrafts and Seaplanes, (7) Kit Planes, (8) Helicopters, (9) Air Sport Equipment, (10) Used Aircrafts, (11) Civil drones (UAS), (12) Engines, Propulsion Systems and Propellers, (13) Components and Materials, (14) Avionics, Cockpit and Onboard Systems, (15) Cabin Equipment, (16) Ground Support Equipment, (17) Maintenance, Repair and Overhaul, (18) Pilot Equipment and Supplies, (19) Tuition and Training, (20) Airports, (21) Pilot Lifestyle, (22) Other Services and Products.

Note: Sales at the booth/space/VIP room during the exhibition are only allowed by orders but not as direct sales. To those who break the rule, the organizer has the right to abolish their participation, confiscate the exhibitors badges and products on sale.

3. Show Schedule

November 23 – 26, 2023

4. Booth/Aircraft Static Display Description

- (1) Package booth comprises walling, floor covering, basic lighting, 1 fascia name, 1 information desk, 1 round table, 4 chairs, 1 socket and 1 waste-paper basket. Any alteration or adjustment to the package booth structure is not allowed without prior written agreement from the organizer.
- (2) Indoor raw space: Exhibitor is responsible for building his own booth at his own expense by hiring his own contractor or the official contractor. Water and electricity shall be charged separately by organizer according to the rates listed in the Construction Manual issued later.
- (3) Outdoor raw space: Exhibitor is responsible for building his own booth at his own expense by hiring his own contractor or the official contractor. Water and electricity shall be charged separately by organizer according to the rates listed in the Construction Manual. Exhibitor should take precautions against thunders, lightning, rain and wind when designing and constructing the booth.
- (4) Aircraft static display fees do not include landing and other charges levied separately by related authorities and service providers. Positioning of the aircraft is subject to determination by the organizer and railing of the aircraft is to be provided by the organizer.

5. Flying Display

For flying display aircraft, exhibitors will receive Flight Manual from the organizer in due course. Related fees such as landing fee shall be levied separately by the airport and related service providers.

6. Space Allocation

Upon receipt of an order form, the organizer will send the related exhibitor a detailed floor plan indicating the location of his booth/VIP room/static display space. The organizer will make every effort to allocate booths, VIP rooms and static display space at requested locations. But in case of duplicate requests or in situations where the best interest of the show needs to be maintained, the organizer has the final and full discretion in booth/VIP room allocation and relocation.

Sub-letting of the booth/space/VIP room or any part thereof is not allowed without prior written agreement from the organizer.

7. Non-occupation of Booth

If the exhibitor fails to build his booth in due course, the space will be deemed as abandoned by the exhibitor and then be placed at the full discretion of the organizer.

8. Terms of Payment

- (1) All prices are quoted in Chinese currency. Payment can only be made in RMB or US dollars.
- (2) Full payment has to be settled within 15 working days upon issuance of contract.
- (3) 10% early bird discount will be given to orders of July 31, 2023 upon full booth payment.
- (4) Payment in US dollars shall apply the current official exchange rate on the date of invoice.
- (5) 50% cancellation charge is levied on all signed order forms: 100% cancellation charge is levied for any withdrawals from October 1, 2023 and no refund is given for any cancellations from this date. In case of cancellation, the space concerned will then be placed at the full disposal of the organizer.

9. Force Majeure

Force Majeure in this contract include but not limited to unforeseen events for example natural disasters war, government decisions, social anomaly, special epidemic risks of disease, etc. (2) In the case that the show must be canceled due to force majeure, organizer has the right to adjust the date, location, show period and schedule of events according to the actual situation and shall not be liable for each other. Exhibitors could ask to return the paid amount after deduction of tax to Party B or carry forward the advance payments to the coming year and refund for any overpayment or a supplemental payment for any deficiency according to the price of next edition.
